

## HIV/AIDS Rights Staff Attorney

Nevada Legal Services is currently seeking a Staff Attorney to work in our Reno office. The Staff Attorney will be responsible for delivering direct legal assistance and providing legal education to low-income Nevadans living with HIV/AIDS. This position will handle a wide variety of civil legal matters, including but not limited to landlord-tenant issues, estate planning, individual rights issues, social security and other public benefits, and limited family law. Nevada Legal Services is looking for an innovative self-starter who is excited to get into the community and can engage many different stakeholders to develop and maintain a Medical-Legal Partnership and other professional relationships. Some travel and overnight stays will be required.

### **Requirements:**

Licensed to practice in Nevada or in another state and eligible for admission pursuant to Supreme Court Rule 49.1(1)(c). J.D. from ABA accredited law school. Applicant must have a strong interest in LGBTQ+ rights, and/or disability law is also highly desirable. Individuals personally impacted by the HIV/AIDS epidemic are strongly encouraged to apply. Excellent communication skills and experience addressing a variety of audiences.
